

MOTOBITES

You are what you eat, and you're more than just a number. That's why we encourage you to get your taste buds off life support, and leap towards what food and life is really meant to be – a damn good time, all of the time.

Ok, these are weird sounding, but awesome tasting and 100% Vegetarian Society approved.

Think of them as BurgerFuel's hard rock side that's not rock hard inside. Our Motobites are cooked in 100% pure canola oil that is low in saturated fats and a source of beneficial omega 3. They are served your choice of fresh natural lemon aioli or yoghurt relish dip* and 'totally freaking yumbo' is the phrase you're looking for.
